

## NI 02

Article number: 626 005 044

### Compact current clamp

The NI 02 is by far the smallest current clamp in the range of Nieaf-Smitt. This clamp provides you the basic measurement of AC current up to 400A. The small jaw of 30 mm. makes it ideal to fit in small situations.

### Features

- Data hold
- CAT III 600V
- Display 2000d
- Max hold

### Including

- + Manual
- + Batteries

Bag

### Specifications

Function	Range	Accuracy
Current	10mA ... 400A	2%

Specifications	
Display resolution	2000d
Max conductor size	27 mm.
Max jaw opening	30 mm.
Overvoltage category	CAT III 600V
Standard	IEC 61010-1
Dimensions	56 x 180 x 32 mm.
Weight	250 gram (incl. batteries)
